**From our sponsors and supporters**

"By sponsoring Sponsors of the Future, RE Mentor™ hopes to provide meaningful connections, opportunities, and learnings to the neurodivergent community. My daughter is currently a Special Education Paraprofessional and I've seen how her lessons, inside and outside of the classroom, have directly impacted the lives of her students in a positive way. We hope to amplify the number of opportunities available for the community outside of school hours through Sponsors of the Future."

Jeff Lindahl, Director of Coaching Operations, RE Mentor™
