## SPONSORS OF THE FUTURE

*Completing the pieces of the ecosystem*

# EDUCATION, ADVOCACY & INCLUSIVITY

Sponsors of the Future (SoF) is a non-profit organization that creates programming to empower neurodivergent children and teens to live independent lives. SoF bridges the gap between stakeholders that are meant to work together to fulfill communities' unmet needs.

**Do You Know Someone Worthy of Being Nominated as the  
Next SoF Star Spotlight?**

Everyone has the potential to shine, and the opportunity to have their chance in the spotlight at Sponsors of the Future. The Star Spotlight program selects an individual who we believe showcases themselves as a positive role model to those around them. This program motivates kids and teens to pursue their goals while supporting others' inspirational stories.

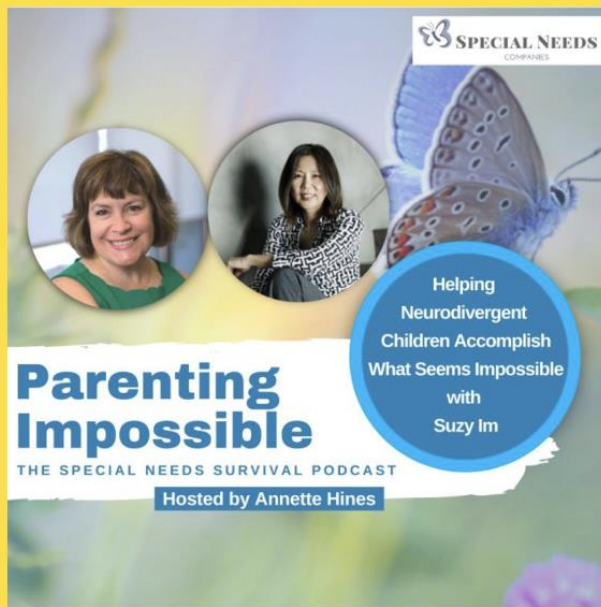

Qualities we look for when selecting the SoF Star Spotlight nominee are empathy, kindness, and motivation. [Read more here.](#)

# Suzy Im Featured in "Parenting Impossible" Podcast

**Listen here** to SoF co-founder Suzy Im's interview feature on the Parenting Impossible Podcast, hosted by Annette Hines. Suzy discusses easier ways for parents and caregivers to access information and advocate for their loved ones, as well as connect neurodivergent kids with global organizations to empower them and ensure that we consider a person's whole being.

Annette Hines created Parenting Possible to bring together parents and experts to discuss the various issues those in the disabled community face, such as raising children with different abilities, transitioning into adulthood, sibling challenges, and how to navigate the complex systems in our world.
